Kim -- as discussed, we can no longer have people in both EOCs. It worked for the weekend but the team is at high risk of burnout.

We're proposing to divide and conquer:

- o Lianne would take over as Commander for COVID EOC since she was doing that before December

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/2/2022 12:19 AM

Then... we would bring in Amanda Farias as Deputy Ops Commander but have her "lead" demob. As you know, we are having to put de-mob under Ops rather than Planning to accommodate some OPH issues. Rabbit hole but anyway.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/2/2022 12:19 AM

Under Amanda, as part of de-mob, OPH has identified a strong staff member and we have secured Kyle Donaldson to support the de-mob planning as a core tiger team.

They would be supported by others at OPH and the City.

Myself, Melissa, and a couple of others would remain on trucks since we have the relationships now with all the external partners. We would no longer do any COVID work.

For trucks, to bolster resources, I have a list of names that I would propose we draw in right now.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/2/2022 12:22 AM

Some are in other departments, so approval required.

Happy to chat.

Have been in meetings all night... jumping on another one with Steve K....

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/2/2022 12:34 AM

No worries. I know you are busy. This is not a rush.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/2/2022 12:35 AM

We can chat either later tonight or tomorrow morning

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/2/2022 12:36 AM

Whatever works for you. If it's tomorrow morning, I'll send you the list of names by email tonight.

I know you know this but.... the "maintain current perimeter" plan appears to have won out.
